# About Us

## Dr. Ram Prasath Manohar IAS INDIAN ADMINISTRATIVE SERVICE

A distinguished civil servant whose journey from a small village near Rajapalayam, Tamil Nadu, to becoming one of Karnataka's most respected IAS officers and now an IAS Mentor is a story of resilience and dedication. With a background in Genetics and Biotechnology, his early academic excellence earned him prestigious honors like the "Young Scientist" award by the Government of India and the Dr. P.S. Lalitha Award. Driven by an unwavering commitment to public service, he joined the IAS in 2010, having initially been selected for IFoS and IPS. Over his career, he has championed transformative initiatives such as paperless offices, women's empowerment projects, and welfare programs for differently-abled persons.

Dr. Manohar has extensive experience in development of infrastructure projects across various sectors on PPP mode. Also, he spearheaded development of 5 airports in Karnataka to improve regional air connectivity in the State. He championed sustainable mining development and sustainable tourism development in Karnataka. His work also extends into the fields of education for students, youth empowerment, and livelihood promotion for women. He has been instrumental in launching programs for integrated housing for the urban poor, fostering entrepreneurship among the youth.

He has been awarded with various national awards and international recognition for his selfless public service with focus on education of youth, socio-economic development of womenS. downtrodden. He has also played a key leadership role in organising successful G20 events held in Karnataka. His visionary approach to urban water management, particularly in Bengaluru, has set a national example for sustainable urban water solutions and also received United Nations Framework for Climate Change convention's recognition. Dr. Manohar's leadership reflects his deep commitment to public service and has left a lasting impact on the communities he serves, positioning Karnataka as a State leading in progressive governance and sustainable development.

### OUR VISION

To inspire underprivileged students to believe in their potential, overcome challenges with resilience, and pursue their dream of serving the nation with confidence. To nurture them into leaders not only in civil services but also across diverse professional spheres.

### OUR MISSION

Inspired by Dr. Ram's journey to becoming an IAS officer, we aim to motivate students through real-life experiences, challenges, and lessons. Our mission is to build self-belief, discipline, and consistent effort while reaching students through free mentoring sessions and inspirational talks. We encourage young minds to view civil services and professional careers not just as professions, but as opportunities for ethical leadership and dedicated service to the nation.
